Sauget/Lang Okeh Tires - FOS

On August 27, 1992, I made an inspection at Lang Okeh Tires, Bay 13 Sauget Warehouse, 1401 Mississippi Ave., Sauget, IL. Brenda Johnson of Sauget Warehouse Trust accompanied me on this inspection. Rich Lang was also present during the inspection.

The purpose of this inspection was to monitor the removal of tires from this warehouse. Mr. Lang has removed tires from throughout the warehouse. I estimate that approximately 2000 to 4000 tires have been removed at this point. Photographs were taken to show the areas where tires have been removed.
